# MEET THE JUDGE

---

Clark and Carmen Belina started raising Registered Longhorn Cattle in 2015 near Howells, Nebraska. Clark grew up going to longhorn sales in western Nebraska with his dad and raising a few head on their family farm. Now along with their daughters, Tayler and Peyton, they enjoy participating in the Nebraska State Fair, Longhorn Futurities, and gathering with the Nebraska Texas Longhorn Association members. Their herd has been a slow, careful development based on genetics, correctness, and calm dispositions. They have both been active members of the NTLA Board and truly enjoy the relationships they've gained through the world of longhorns. They're excitedly looking forward to the growth of their herd and friendships within the industry.
